HOLY TRINITY SUNDAY

The mystery of the most Holy Trinity is a basic doctrine of faith in Christianity, understandable not with our heads but with our hearts. It teaches us that there are three distinct persons in one God, sharing the same divine nature. Our mind cannot grasp this doctrine that teaches 1+ 1+ 1 = 1 and not 3. But we believe in this mystery because Jesus, who is God, taught it clearly, the evangelists recorded it, the Fathers of the Church tried to explain it and the Councils of Nicaea and Constantinople defined it as a dogma of Christian faith.

There have very many who tried to explain the Holy Trinity. One of the most notable is St. Patrick, who used a shamrock, a kind of clover, is a leguminous herb that grows in marshy places. Patrick explained "The mystery of the Holy Trinity – one God in three persons: the Father, the Son and the Holy Spirit - is like this, but more complex and unintelligible." St. Cyril, the teacher of the Slavs, tried to explain the mystery of the Most Holy Trinity using sun as an example. He said, "God the Father is that blazing sun. God the Son is its light and God the Holy Spirit is its heat — but there is only one sun. So there are three Persons in Holy Trinity ***but*** God is One and indivisible." St. John Maria Vianney used to explain Holy Trinity using lighted candles and roses on the altar and water in the cruets. "The flame has color, warmth, and shape. But these are expressions of one flame. Similarly the rose has color, fragrance and shape. But these are expressions of one reality, namely, rose. Water, steam, and ice are three distinct expressions of one reality. In the same way one God revealed Himself to us as Father, Son, and the Holy Spirit."

Recently Pope Francis surprised the congregation during his homily, taking a fidget spinner (the new toy for use by over active children to calm themselves) from his pocket and using it to demonstrate the Trinity. "Just as St. Patrick used the three-leaf clover to teach his followers about the Triune nature of God," Pope Francis said, "I can use my aluminum Tri Fidget Spinner to reveal the mysteries of our God as Father, Son, and Holy Spirit. As the spinner spins faster, the three arms seem to become a single disc, yet they maintain their individuality. During his homily, the Holy Father explained that just as an improperly balanced spinner won't work very well, our faith will falter if our view of God is likewise improperly balanced. "Could I execute a behind-the-back move, if my spinner was unbalanced. No, I tell you, no! It is the same if we don't balance God equally as Father, Son, and Holy Spirit!"

Heavenly Father, help us to retain our "balance" and faith in the Holy Trinity and never let us falter.

LEGION OF MARY

The "New Evangelization"

is nothing new to the Legion of Mary. Our members have been evangelizing since 1921.

Frank Duffy realized there was a great need to bring suffering souls to the Lord. His goal was to make our Lord's Mother know to:

- the aimless people,
- the drunkards,
- the prostitutes,
- the homeless and
- all who Pope Francis today refers to as "marginalized".

If you feel a desire to share your faith with others
and want to help bring lost souls back to the Lord,
please consider becoming an active member of
His Mother's Army, The Legion of May.

We need your help!
Thank you and God bless you!

SERVICEMEN & WOMEN OF THE PARISH

We are trying to compile the names in Sts. Peter and Paul as well as St. Joseph's parishes of **ALL veteran's as well as active members** of the parishes past and present for recognition on Veteran's Day weekend in November. This also includes those that have lost loved ones over the years as well.

I would like your branch of service, rate, time in and years served if you are a vet. If you are still on active duty or reserve we would like to know that as well. I know that there are also those who were nurses or other duties for the women, please help us make this a living memorial by submitting your histories as well.

Any pictures or stories are more then welcome and if it's photos, they will be copied and given back. This will be quite an undertaking but worth it to let the parish families know the freedoms they enjoy because of you who served.

Please contact:
George Kuhlow at 589-6158 or email

If you have a story or two to tell please let me know or leave it on the Knight's table with my name on it.

2Bring your donation of cookies to the Parish Hall on Saturday, July 29th, and join the *"Ladies"* to wrap cookies and get them ready to sell … hmm no free tasting allowed but who knows maybe early birds purchases will be welcome. ***Stay tuned!!***

Refreshments/Snacks after Mass

Dear Fellow Parishioners,

We have volunteers that bring sweets, and snacks every Sunday, and bless their heart for the time and monetary effort that they make to promote the social interaction after Mass!

Maybe it is not of public domain, but our Church does not buy the paper products (plates, napkins, cups, etc.) that we all use every Sunday. We have seen how the container collecting donations to buy them remains empty (or close to empty) every Sunday.

May this be a kind reminder to please include a monetary donation in the container just right before you put the snacks on your plate.

Thanks!
