## GOSPEL MEDITATION

The lens through which we view life makes a difference. It also determines who we choose to learn from and what we allow to shape our thoughts and feelings. For many, life is simply what it appears to be, a given that either through evolution or some other means just came to be. There is no apparent rhyme or reason to things and things can be dissected and understood only in terms of what they empirically present. To the person using this lens, a tree is a tree and a flower is a flower. Their composition and existence can be understood only to the extent that current human knowledge allows. Through this lens, what gives life purpose and meaning? This lens has an essentially unknown beginning and definite end. Once those are accepted, the middle becomes some kind of pursuit of happiness, with values and principles being things that are self-created and found acceptable.

But there is a Divine lens that also exists and deserves mention. It is found when one stumbles upon faith and begins to see things differently. This lens is of God and reveals a Divine Energy and Life that flows through and in all things. Faith then shows us that all that lives come from this one Source of Love. This is the only true lens that can give human beings the purpose and meaning they desperately need. From this perspective, all of life is much more than what is immediately apparent! It now tells and reveals a story about God's generous, creative, and unconditional love! The unfolding of the human story is the unfolding of God's story. What meaning our lives have when they are viewed as a part of God's love affair with humanity! We are indeed special.

The lens of our faith asks us to learn from Jesus Christ. Jesus, as the real Bread of Life, shows us our eternal destiny and completes and frames our lives. It is only in allowing ourselves to be taught by Jesus, that faith, hope and love take on much greater importance. All the relationships in our lives are now structured and ordered using God's primary commandment of love. Jesus, then, is not just some man who lived at some point in history. Jesus is the incarnate Son of God who shows us the way, the truth, and the life. Using this lens changes things up a great deal. Looking at the creation that surrounds you and the special unique people you love, what is God trying to teach you about His love for you and the eternal life He wants you to have?

Troop 1138 is a very active girl troop with trained, dedicated leaders and parent support. A variety of trips are planned and designed by the youth leadership to include camping, zip lining, biking, and hiking.

Service, community engagement and leadership development become increasingly important parts of the program as youth lead their own activities and work their way toward earning Scouting's highest rank, Eagle Scout. Those who have earned the Eagle Scout rank count it among their most treasured achievements.

Our goal is to participate in scouting at all levels-local, regional, and national.

## EVERYDAY STEWARDSHIP - What's Your Hearth Cake?

"Get up and eat, or the journey will be too much for you." I've been to a lot of meetings in my years of work in the Church, and you can take my word for it: the ones with snacks just seem to go better. I don't know what it is exactly. Maybe it's just that people are in a more agreeable mood if you show up with donuts. Or maybe it's about the very real sense of community and camaraderie that is created at a table where people are engaging in that most human of tasks — eating — beside one another. I think a big part of it comes down to the simple fact that we're all just nicer people when we're fed.

This rings true spiritually, too. We simply must remain fed if we, in turn, are to feed others. Think of a time when you have neglected your relationship with God — when you haven't fed yourself with whatever it is that you need to remain committed to the journey of a Christian life. Is it Mass attendance? Is it prayer or Scripture reading? Is it time with your small group, or conversation with a trusted friend who knows your soul? What sustains your ability to be a good disciple, a good steward? What inspires you to give more freely, to love more abundantly?

Whatever it is, that's your hearth cake. That's your jug of water. Don't neglect it. The Angel of the Lord is nudging you in your sleep:

"Get up and eat, or the journey will be too much for you."

— Tracy Earl Welliver, MTS

#### **New Requirements for Childhood Vaccinations**

##### ***Why are we concerned about childhood vaccinations?***

Vaccines protect children against serious diseases that at one time made children and their families get very sick or even die. When you vaccinate your children you protect them, their schoolmates, and your community.

##### ***Why are childhood vaccinations changing?***

The Virginia General Assembly passed House Bill 1090 requiring immunizations to correspond with those recommended by the CDC Advisory Committee on Immunization Practices (ACIP).

##### ***Which vaccinations should my child have?***

**Children entering Kindergarten need:** Two properly spaced doses of the Hepatitis A vaccine (HAV). The first dose should be given at age 12 months or older. This requirement is in addition to the existing Kindergarten vaccine requirements per ACIP.

**Children entering 7<sup>th</sup> grade need:** Proof of their first dose of meningococcal conjugate vaccine (MenACWY), the first dose of the human papilloma virus (HPV) vaccine, and one booster of the tetanus, diphtheria and pertussis vaccine (Tdap)

**Children entering 12<sup>th</sup> grade need:** A booster of the meningococcal conjugate vaccine (MenACWY)

##### ***Where can I get these vaccines for my child?***

These vaccines are available through your local health department and most primary care providers and pediatricians.

### SHARING THE GOSPEL

In today's Gospel reading, Jesus compared himself to manna. A long time ago God's people ate manna in the desert because there was no other food to eat. By sending manna falling from the sky every morning, God taught his people to trust Him. Manna tasted good, and it kept them healthy. God took care of them and gave them all they needed. Then, hundreds of years later, God sent Jesus down from heaven so people could have everlasting life with him.

### PRAYER

Dear God, thank you for sending Jesus down from heaven so that we can look forward to living with you forever in heaven. Amen.
